DIFFERENTIATORS

Integrated Service Delivery Model

Our approach combines wellness support, rehabilitation coordination, behavioral health resources, care navigation, and FMP assistance into a single coordinated framework.

Physician Lead Individualized Medical Treatment Plan

VFWC's key purpose is to provide service-disabled Veterans with doctor lead treatment plans with outcome-based therapy. The doctor and his team provide each service-disabled Veteran with the necessary care

Thailand-Based Service Alignment

Planned operational presence in Pattaya, Thailand positions VFWC to directly support one of the largest overseas veteran communities.
